Welcome back!

We have now been back for three days and so far all of our children have settled well with their new teachers even though we had a few tears with our new starters!

The first few days back is always a little different whilst teachers are explaining a lot to the children about their new books, homework and basics such as the new timetable. There are a few new things for this week including the fact that all children (except foundation stage) are being given a homework book so all parents can see what children are expected to do.

You will all soon receive a brief outline of what the children will be learning in their new topic. We begin our new curriculum this term and we hope the children will really enjoy the new way of working and how the subjects are put together.

Toys and footballs in School

Toys brought in from home always make problems for us. They get lost, broken and cause arguments between children. Therefore all staff have agreed that no child is allowed to bring in any toys from home. This includes footballs as we have many problems with as you can imagine.

Football Contract

Football often causes the biggest fallouts between children. Any child wishing to play football at break times has to sign our contract and abide by the rules. If your child ever comes home and says they have been banned from playing for a few days it will be because they have broken the rules!

School Dinners

School dinners are now £8.25 per week and must be paid in advance on a Monday morning.

Thank you

Diary Dates

Please see the back of this newsletter for diary dates that have been arranged so far. Our additional closure dates have been set and they all fall upon a Friday just before a 1/2 term holiday.

A bullying incident is any incident which is perceived to be:

*On purpose, Over and over again
 Knowing that it upsets the person*

Healthy School
