## Collecting Key Stage 1 children

It is very difficult for staff to keep an eye on all the children at the end of the day and they do try to make sure that they see all children to the care of an adult. However, just recently, there are a number of parents who are staying outside the school gate or even in cars. This makes it very difficult for school staff. Please, please make the effort to physically come into the playground to receive your children. This makes it much safer for everyone. Thanks.

## Harvest Festival

Our Harvest Festival is tomorrow at 2:30pm. Please do come and join us. It will be very informal. If you can donate something that would be great too!

## E-Safety

We were disappointed at how few parents came to our very important e-safety assembly last week. It was led by our year 5 class who's teacher, Mrs. Lowe, is our ICT leader. E-safety is very important and we do teach our children e-safety in lessons. However, just from talking to a few of our children it is clear that many have a free reign on how they use the internet at home and are not checked by their parents. I do hope that you all received a leaflet for parents on e-safety, if not, please ask your child to get one for you.

In addition there is a website that has all the answers you could need and even explains a lot of the jargon too! It is:
